

MEETING NOTICE
CALFED Bay-Delta Program
DRINKING WATER CONSTITUENTS WORK GROUP

June 2, 2000
9:00 a.m. – 3:00 p.m.
Resources Building
1416 9th Street, Room 1142
Sacramento, CA 95814

AGENDA*

- Welcome and Introductions
- Drinking Water Projects – Approval of Work Plans for FY 2000 Funding

The Policy Group recommended \$700,000 from the fiscal year 2000 Federal Bay-Delta Act appropriation for the Assessment of Sources and Magnitudes of Loads for Drinking Water Constituents of Concern. The Work Group is asked to review the work plans developed by designated agencies to implement this project (sent in a meeting packet previous to the meeting). After work plans are considered adequate, they will be sent to EPA for funding.

- Drinking Water Improvement Strategy and Proposed Drinking Water Improvement Projects

A presentation is scheduled which will update the Work Group members on the CALFED drinking water strategy. The Work Group is asked to provide comments on the drinking water strategy paper and drinking water improvement projects (sent in a meeting packet previous to the meeting).

- Hood Diversion Presentation – Discussion

A presentation is scheduled which will update the Work Group members on the development of the Preferred Program Alternative Hood diversion. The Work Group is asked to provide technical input on the development of a monitoring, research, modeling project to determine if drinking water quality is improving over the next three years.

- Recommendations to the Delta Drinking Water Council
